'SERVICE ABOVE SELF'**

PROVIDING COMMUNITY SERVICE

ENCOURAGING HIGH VOCATIONAL STANDARDS

BUILDING INTERNATIONAL GOODWILL

AN EFFECTIVE ROTARY CLUB IS ABLE TO

Sustain and increase its membership base.

Implement successful projects that address the needs of its community and communities in other countries.

Support The Rotary Foundation through both program participation and financial contributions.

Develop leaders capable of serving Rotary beyond the club level

**WE BELIEVE THAT DARWIN SUNRISE HAS PROVED
TO BE AN EFFECTIVE ROTARY CLUB
THROUGHOUT 2013 - 2014**

DISTRICT GOVERNOR 2013-2014

TONY GODDARD (MARION)

Tony Goddard joined the Rotary Club of Ayr, District 9550 in 1994. He was Club President in 2000-2001. He has held a number of positions within the club including Secretary for some years, along with various other Director Positions. He is a Paul Harris Fellow and was also named as the inaugural Rotarian of the Year Award for his Rotary Club in 2004-2005.

He has previously served on the District 9550 Youth Exchange Committee for many years including Secretary for some years and also Country Co-ordinator for South American Countries including Brazil and Peru along with South Africa.

In 2003-2004 Tony and his wife Marion, accompanied 70 Australian YEP students enroute to Europe (Frankfurt) via Japan where they were safely assisted to their final destinations as part of the YEP program between Australian Rotary Districts and European countries.

Up until 12 months ago Tony had been the D9550 Chair for the GSE Program and more recently District Chair for the Future Vision VTT Program where D9550 were one of Ten Pilot Districts to have participated in this program worldwide in 2011. The District is continuing to be involved in Rotary Foundation Programs with a number of Teams/Clubs conducting projects in Dili, East Timor, part of D9550 and Detroit D6400 USA.

In 2005 Tony was Team Leader for the D9550,GSE team which travelled to D2350 in Sweden. The team undertook studies and participated in various events in the Stockholm area of this District, culminating in the D2350 Rotary Centennial Cruise to Finland.

Tony retired from the workforce in July 2012 following 38 years as a Police Officer with the Queensland Police Service.

Tony and Marion have three children, Joshua, Jacinda and Brittany and three grandchildren – Aidan, Indianna and Remmie. Apart from Rotary, Tony enjoys many sports, is an avid Cowboys/Queensland Rugby League and cricket supporter. Tony and Marion are also keen Touch Football players and officials with both travelling all over the country along with participating and being generally involved with this sport.

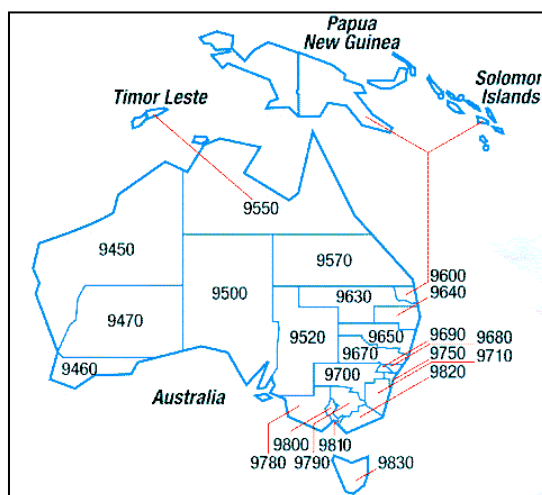

Worldwide travel is one of their favourite enjoyments with many overseas trips already taken and many planned in the future including some 'Grey Nomading' along the way.

**On behalf of Rotary International
District Governor Tony and
President Ainslie present Immediate
Past President Roger with the a
Presidential Citation for the Club's
2012-2013 Rotary Year**

OUR DISTRICT

Clubs are grouped into 530 Rotary **districts** worldwide, each led by a **District Governor** (elected annually) who is directly responsible for the administration of the district. There are 23 Rotary Districts in Australia.

Rotary International District 9550 is one of the most diverse Rotary Districts in the world, covering 1.5 million square kilometres north of the 21st parallel in the Northern Territory and Queensland in Australia, and East Timor (Timor Leste). The District is vastly diverse, and includes the world heritage areas of Kakadu National Park and the Great Barrier Reef, rainforests, tropics and the outback. The District is renowned for its agriculture, cattle, fishing, horticulture, mining, sugar cane, tropical fruits, and tourism.

District 9550 has 45 clubs and about 1300 members. Within our District, East Timor covers an area of 15,000 square kilometres and has a population of about one million people. Its natural environment is marked by stunning mountains, beautiful beaches and reefs, lush forests and, depending on the season, rushing rivers or dry riverbeds.

However East Timor is one of the ten poorest countries in the world. The problems faced by East Timor are compounded by the lack of infrastructure and a critical shortage of skills in most areas of vocation. The East Timorese regard education as the most important priority in the development of their country, because it is the lack of people with the expertise and technical skills to rebuild the country that remains the most critical stumbling block for development. The Rotary Club of Dili was chartered in 2002.

Multicultural Darwin is the capital of the Northern Territory, and has a population in excess of 100,000. It has a young population and vibrant economy, Charles Darwin University, and a major liquefied natural gas plant that commenced production in 2006. Darwin is the closest Australian city to Dili in East Timor, being only a 1 hr 45 min flight away. There are eight D9550 Rotary clubs in the Territory, with five in Darwin.

Townsville is situated on the east coast of North Queensland. It has a population of about 160,000 and has an excellent James Cook University that is renowned for its Marine Sciences. There are 12 Rotary clubs in the area. Throughout towns to the south are another five Rotary Clubs, fertile sugarcane farming region, and the famous Whitsunday beaches and islands.

350 kilometres north of Townsville is the lush, tropical city of Cairns. It has a population of 140,000 and is known as the gateway to the Great Barrier Reef. Cairns is home to seven Rotary clubs, with another 12 clubs located in towns to the north, south and west.

900 kilometres west of Townsville and in the outback is Mount Isa, the mining, industrial and commercial centre of Northwest Queensland. There are four Rotary Clubs in this region. Our **Rotary International District 9550** covers about 20% of Australia – a 1.5 million square kilometer area north of the 21st parallel in Queensland and the Northern Territory (including as far south as Tennant Creek), and Timor Leste, where there is a Rotary Club in Dili. There are nine Rotary Clubs in the Northern Territory, with clubs in Darwin, Nhulunbuy, Katherine and Tennant Creek, while in North Queensland clubs extend from Thursday Island and Cairns in the north to Proserpine and Airlie Beach in the south, and west to Mount Isa. Our District includes the world heritage areas of Kakadu National Park and the Great Barrier Reef, rainforests, tropics, and the outback.

25 YEARS OF MEMORIES

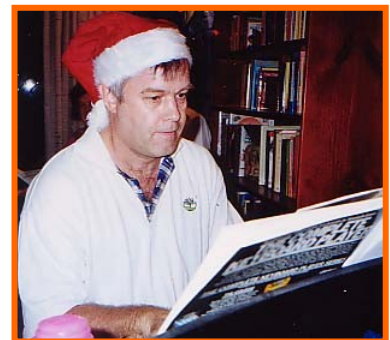

As we start thinking about our formal 25th Birthday celebrations later this year our Club Secretary and Charter member Martyn Wilkinson has contributed a few of his recollections

1989 and I had been in Darwin North Rotary Club for about 2 years, and although I enjoyed the fellowship, I did not enjoy getting fined every meeting for turning up late. Our relatively new road transport business Northline Freight, was growing well but required a lot a hours and it was difficult to get away at the end of the day to attend the 6.30 pm start of the evening Rotary meeting.

When it was mooted to start a new club which met at the start of the day, this seemed the obvious choice for me, at least I stopped getting fined.

We met in the same place that most of the then 7 Rotary Clubs met , at the RSL Cavenagh St and the breakfast menu actually changed from time to time I seem to recall corn beef fritters as a highlight.

As inaugural Secretary , many of the elements of the meeting which were considered “new” to our club such as “job” and “me” talks remain today although I note that other meeting items such as the “ 2 mins of Rotary Information” Roster, no longer exist.. (**Editor's note - a much younger Martyn at the Club's 2001 Christmas Carols**)

As in any club we had a number of significant characters.

One of the first sergeants we had was a lawyer called Kim Graves (Who would have thought humour and lawyer in the same sentence) Kim left Darwin to specialize in Mining Law and at last report was a high flying corporate lawyer with the BHP group.

Who can forget the memorable Sunday morning cinema events where Frank Lam provided the Mongolian food packs and Dan Styles (Who was the manager of the Darwin Cinema) combined to great effect, we had the run of the whole complex to ourselves , which doesn't seem to happen these days.

As far as I am aware the only time a membership application was rejected by the club was one that I put forward. The guy was a manager of a national company in Darwin and one of our members had some dealings with one of the employees who advised that our proposed member had not allowed the staff any time off to give blood at the Red cross. Hardly the attributes of a community minded individual and his membership application lapsed. It wasn't long before he moved on and left town as was a common theme with a lot of our members.

The Orchid Spectacular was an early fund raiser that Gerry Swan was in charge of for a number of years , the most memorable event was 2000 when after the first day of the 2 day event , we got a message from the authorities saying that the whole Marrara complex had to be cleared. cleaned and emptied by Sunday morning as it was needed to house a flood of East Timorese refugees that were arriving on the first planes out .

(President Rod Strong with Sally Thomas at the 2004 Orchid Spectacular)

As MLA Mick Palmer commented often , 'We had the only flower show in the country that was closed down by the police'. An added bonus that year was that the NT government compensated us for loss of profits to the tune of \$5000 odd , something I don't think we would expect these days.

A good number of the Club members along with the First Paramedic of the Year – Jim Leigh Millennium year - 10 years after Chartering – Charter Member Sivaram Vemuri was President

These days you might call it "Photo bombing" but in 2005 , A visiting Rotarian called Peter Armitage who was a professional photographer, sent us this pic from his make up at the club, when we used to meet at the Crowne Plaza. You might spot some familiar (younger!) faces.

Centre of the photo is the gong we received as a charter gift that never worked , it made a dull "thud" that no-one could hear, so we were relieved to take custody of the Port Darwin Gong that we currently use that makes a good "gong" noise

You will note at the back of the above photo, our larger than life member Graham Wright, one of his lasting legacies that Graham left the club , and there are plenty of others, was the introduction of the "foundation raffle" . Of the tickets you buy every meeting, according to Grahams formula, 60% of the revenue goes to the Foundation and 40% goes back to the raffle prize pool. This year it has raised approx. \$1500 for the Rotary Foundation (Our own charity) .

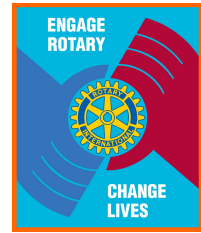

**Martyn Wilkinson
Charter Secretary**

2013 - 2014 PRESIDENT'S REPORT

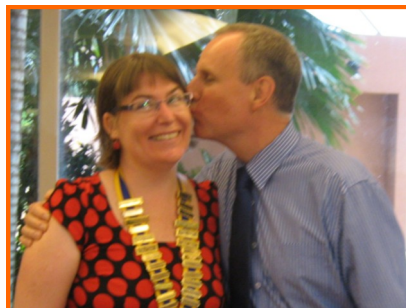

Rotarians and Friends,

It has been an honour and a privilege to serve you as your club President for the past year and I thank you all very much for allowing me to have this opportunity. I truly hope that I have been the leader that you have needed and deserved and that there has been enjoyment in the way in which we put **'Service Above Self'**.

Reflecting on the year that we have shared

I have really enjoyed sharing this year with you as your president!

My aim was (and is) that whatever we do in the Rotary Club of Darwin Sunrise, it is positive and fun, and that we are inclusive, open and progressive in our engagement with the community and each other. We aim to show the best of what Rotary can be and achieve in modern times – with respect and commitment to the humanitarian ideals that Rotary aspires to.

I think the four way test we chant together every Friday is a good guide to how we go about things:

***Is it the truth? Is it fair to all concerned?
Does it build goodwill and better friendship?
Is it beneficial to all concerned?***

Well I reckon we are really good at building goodwill and better friendship and I reckon we are pointing and moving in the right direction on achieving benefit to those whose paths we cross.

In the club vision statement I set one year ago, I expressed a wish to 'smoothly transition into the new Rotary year by carrying on and expanding the momentum, passion and drive exhibited by our wonderful and dynamic club'. - Yes!! I think we did this. I know we did this by the way we embraced new projects such as the Karen Sheldon Christmas cake project we enthusiastically jumped into last November.

The way we welcome and include new members and guests, the generosity we have all shown with our time and our contributions, the rosters and the ticket selling, the belly laughs we share at breakfast meetings so many things are great about this club!

We didn't fulfil all of the vision statement, but I don't think that is the point either. I think we went in that direction and assessed the lay of the land as we went along as to what was in our club's best interest, and what the timing was ripe for in our team.

The challenges in this club are often about capacity – usually related to our access to time to participate in things! We are all busy and motivated people and we do our best to achieve our goals with the resources we have, and I think we do brilliantly given the level of activity we have in our work and family lives as well as in our service to the community in this great club.

I think we did really well to working towards that vision and allowed ourselves the room and space to grow into new projects and to allow for new ideas to flourish beyond that vision statement and into a new club era.

Some of you will recall from my changeover speech last year that I had some personal fear as to whether I could live up to that challenge of being the president of this club,

I resolved my doubts and accepted that challenge with the knowledge that the members of the club would not let me fail - and I think that is exactly what has occurred, and I thank you all very much for ensuring the success of this club. .

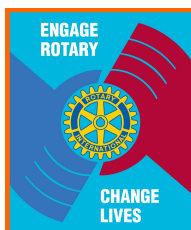

The support and teamwork and friendship in this club is enormous, and I have gained so much confidence in life from the experience of having been your president. That is a treasured gift that I thank you very much and for which I am honoured

I am very proud of this club and its dynamism and its attitude and the way that all of our club members participate and engage – congratulations to you all on a wonderful and productive year. We are an amazing club!

At this point I would like to pass on the baton to incoming President Ian Berry! Congratulations and best wishes to Ian and his team for the new Rotary year of 2014/15. I have faith and confidence that the man we formerly knew as our lucky leprechaun will be a brilliant leader for this club and I look forward to transitioning to the new board with him at the top of the table - Good luck Ian!

This club and I have become such good friends over the years and I am looking forward to 'Rotarising' with you all on and into the future. You are an amazing bunch and I am privileged to be amongst your number.

With gratitude and love,

Ainslie Ward
2013-2014 President

2013 - 2014 CLUB ADMINISTRATION REPORT

Ian Berry

G'day Fellow Sunrisers

Well, to quote several of my predecessors, "We have been administered" this year. My job has been made exceedingly easy by the quality team we have had in the past year. Most of these administrators do a lot of work behind the scenes, from organising speakers for our meetings (thank you Susan Penfold) to editing & producing our weekly newsletter (Thank you Frank Stewart) to managing our Sergeant & Attendance Table rosters. Thank you to all the others who have assisted but not been named – just about every member does something over and above basic membership, be it the setting up and packing up for our Friday meetings or selling raffle tickets and doing Gate Duty at the Gardens.

The Team

Deputy Director/Programs		Susan Penfold	
Secretary	Martyn Wilkinson	Treasurer	Joseph Aladin
Club Protection	Lloyd Blinco	Public Officer	Sue Gumley
Sergeant at Arms	Roster System	Attendance	Roster System
Bulletin Editor	Frank Stewart	Audio-Visual	Martyn Wilkinson
Deputy Editor	Purdey Eades		Warren Leeder
Public Relations	Judy Chan	Web Master	Purdey Eades
PR Assistant	Catherine Weber	Club Historian	Frank Stewart

This last year we have certainly lived up to the Rotary motto of "Engage Rotary, Change lives", with a huge range of projects, activities and had some memorable fun moments as well. Ainslie herded her Board, sometimes forcefully, in the direction she wanted and achieved a huge amount over the year – the list of achievements is truly impressive. Next year's Board has only a few changes, with Denis Carroll taking over Service Projects and giving Jeff Borella a short break from office, me stepping up and giving Ainslie a break (can you see her slowing down as Immediate Past President?) and Susan Penfold stepping up as President Elect and Director of Club Administration. Should be an interesting year. The full list of office bearers will be in the Bulletin, but remember if you want a change, or have an idea for improvement, let us know.

One of the issues that has started to raise its head throughout this year has been that of our meeting format. We have made significant changes over the last few years with rostering the Sergeant and attendance desk, and having the speaker present early each meeting. Have we done enough? Are we too hidebound? Should we move with the times and vary our format? Are you happy with the speakers that we have come in? Watch out for a survey early in the next Rotary year where you can have your say.

Another of the ongoing issues that you will hear more of soon is the review of our club shirts. This has been running for some time and the review committee will have recommendations for your review soon. If you have ideas or requirements, let them know.

Overall, its been a great year, and I thank all the Administrative team for their assistance, and direction, throughout the year. And not forgetting our rostered sergeants and attendance table, you have been marvellous. Thank you, thank you, thank you.

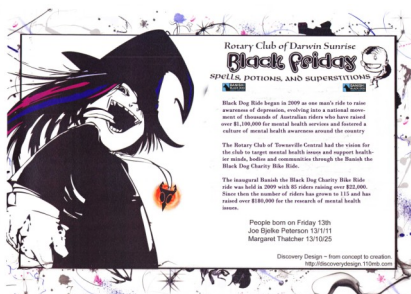

Now, lets get into the new Rotary year, and.....

Light Up Rotary

Ian Berry

Director - President Elect.

SOME EVENTS DURING THE YEAR.

A number of great sunset casual get-togethers at the Sailing Club.

Introducing the 2014 | 2015 Entertainment Book and the new Entertainment Digital Membership!

The Entertainment Book has arrived in Darwin!

We are excited to be offering our members and supporters the opportunity to purchase the 2014 | 2015 Darwin Entertainment Book. The book is packed with hundreds of up to 100% off and 50% off offers, valid until June 30, 2015. The book is available for purchase at the Rotary Club of Darwin.

This year you have a choice - to purchase the popular Entertainment Book or the brand new Entertainment Digital Membership, which puts the value of the Entertainment Book into your iPhone or Android smartphone!

The brand new 2014 | 2015 Entertainment Memberships feature many of the area's best restaurants, cafes, hotel accommodation, attractions, and activities, and are packed with hundreds of up to 100% off and 50% off offers, valid until June 30, 2015.

The book is available for only \$25 per copy, helping our fundraising, with \$21 from every Membership sold contributing to help support our club. Please let your family, friends, neighbours and work colleagues know we are fundraising, as the more we sell, the more fun we can have!

ORDER HERE

To purchase securely online or to order your Entertainment Digital Membership visit: <http://www.entertainmentbook.com.au/darwin>

Alternatively you can contact Rosale Ward at rdarwin@rotaryclubdarwin.org.au

MEMORIES FROM LAST YEAR'S CHANGEOVER DINNER

Chair Frank thanking our Guest Speaker Ian Lee - the Club's sponsored student to the Australian Rotary Health Medicine Scholarship program
19th July 2013

Winston Marsh accepting our thanks from Chair Warren for his inspirational presentation 'ABSOLUTELY FANTASTIC !'
23rd August 2013'

Julie Nicholson thanks our Guest Speaker David Apparicio the founder and CEO of the Chrysalis program
1st November 2013

Chairperson Denise thanked our Guest Speaker 'LADY' Camille Fong Lim for a most interesting and entertaining presentation.
22nd November 2013

SOME GUEST SPEAKER HIGHLIGHTS OF THE YEAR

Our Guest Speaker Margie Beck impressed us all with her dedication and service to Education in East Timor. She honoured the Club with a presentation to President Ainslie
11th April 2014

Our Chair for the day Judy Wright thanks Teana Mangion our sponsored International Student Volunteer to Africa
9th May 2014

Our Chair Quentin thanks Rohan Thwaites for his informative presentation regarding the Darwin Asylum Seeker Support Network.
31st January 2014

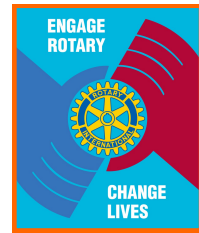

Sivaram thanks David McMichen AM and Tim Newth AM - Co-Artistic Directors of Tracks Dance for their unique presentation and extraordinary 25 years contribution to the NT.
27th June 2014

Jeffery Borella

2013 - 2014 SERVICE PROJECTS REPORT

As my second year of Service Projects Director comes to a close I would sincerely like to thank my dedicated team of volunteers for their help and inspiration in making a difference in our community locally and internationally. Deputy Denis Carroll, Ken Hatfield, Julie Nicholson, Sandy Oldroyd, Malika Okeil, Morgan Ewing, Jan Conti, Joy Passmore, Quentin Kilian, Rob Dorgelo, Allison Hooper, Marguerite Bowen and Judy Chan.

It is now time to welcome our new Director in Denis Carroll and wish him all the best for his incoming year.

COMMUNITY SERVICE

The Duck Race

The Club has continued in its community interaction - joint fundraising activity with its involvement in the second year of 'Duck Racing' with Nightcliff Football Club and the Rotary Club of Darwin Sunrise hosting the second Annual Duck Race. This event was held in the Wave Pool at the Waterfront precinct with an increase to 1500 multi coloured ducks taking to the water. A larger crowd than last year 'got down' to see this fantastic event happen. The Club received a donation of \$1700 from the organisers for our Community Chest.

The Australian Rotary Health (ARH)

We continued to join with ARH to provide a \$5,000 Indigenous Scholarship for Medicine. Ian Lee, local man, was awarded this competitive scholarship and continues to undertaking study in the CDU and Flinders University program. In addition to the Medical Scholarship the Club continued to support the ongoing programs of ARH with a contribution of \$25.00 per Active member which amounted to \$1,050.

Ludmilla Primary School

This financial year saw the completion of the Ludmilla Primary School Project. A joint partnership was established with Bunning's who supplied two additional modular benches to the kitchen area to further increase the educational, nutritional and learning abilities for all the students.

This enabled our Club to donate \$1700.00 to stock the kitchen with essential equipment such as microwave oven, pots, pans and cooking utensils. A small presentation was carried out at the school with Rotarians and Education Staff to formally handover and complete this most worthwhile project for the children and parents of the Ludmilla Primary School.

Clean Up Australia Day

Many thanks to Malika Okeil and Roger Pocock for coordinating the contact point for the Clean Up Australia Day in the East Point Precinct. It was a much nicer day weather wise than last year which in turn encouraged an excellent roll up of volunteers that included many local community members as well as Rotarians. Once again a vote of thanks goes out to Allison Hooper for organising the Girl Guides, who do a brilliant job in assisting with the clean-up.

The Cowdy Ward

The ongoing funding to provide the NT News and Weekend Australian newspapers to the patients of the Cowdy Ward at Royal Darwin Hospital at a cost of \$700.

The Knockabout Chefs Program

The ongoing funding of five annual scholarships to provide the student's basic requirements to commence the course. In addition we fund the annual Rotary Club of Darwin Sunrise Knockabout Chefs' Achievement Award. The provision of \$1,250 in support of this worthwhile community project of St Vincent de Paul.

4 Children 4 Carers Program

A new program this year was the \$400 sponsorship of a respite day for underprivileged children and carers (4 of both) at the Nightcliff Bowling complex for a fun day.

The Cancer Council NT.

The donation of \$1,690 for the provision of two I-Pads to the Council for distribution and use in remote communities in the Territory.

YMCA and Club Joint Trivia Dinner.

An enjoyable and fun filled night which raised \$2,200 to assist in the YMCA Belyuen to Cambodia Cultural Exchange project.

St Vincent de Paul Annual CEO Sleepout.

The provision of a donation of \$400 in support of the Club members participation in this very worthwhile cause.

VOCATIONAL SERVICE

The Paramedic of the Year Award in Partnership with St John Ambulance.

This award are now in its 14th year and going strong. The award recognises the hard work and dedication of the Paramedics as part of their everyday duties. Nominations for the award come from the NT community. A vote of thanks goes to Sandy Oldroyd, Malika Okeil and Debbie Garraway (St John) for ensuring that this event continues to be a success and the many sponsors who make it possible

The Aboriginal Health Worker Excellence Award in Partnership with the NT and Commonwealth Health Departments.

Now in its 7th year this Award highlights the dedication and commitment from Aboriginal and Torres Strait Islander Community Health Professionals. Nominations come from the communities in which they work. Thanks to Malika Okeil, Di Borella and Sandy Oldroyd for their ongoing organisation and support and the many sponsors who make it possible.

INTERNATIONAL AND YOUTH SERVICE

Plain English Speaking Awards

Plain English Speaking Awards take place at Charles Darwin University. The Clubs sponsorship amounts to First Prize \$350 and Runner up \$150. Ian Berry is an invited to judge in the competition and also make the presentation on behalf of the Club.

The Annual Cambodian Cultural Exchange Program.

It's NT leader is David Armstrong from the NT Open Education Centre. At the end of the school year 12 students travel to Cambodia to work in villages to provide educational, health services and time to build some homes for families. The students fund their own costs and our club has donated \$2,000 to purchase building materials for the houses.

International Student Volunteer to Africa

Teana Mangion is a Pharmacy student at Charles Darwin University. The Club supported her time in Africa with a donation of \$500.

The Elizabeth Academy in Manila

The amount of \$1000 donation from the Club has been personally matched by Judy Chan and Sang Er (Judy's Husband) . Judy will do a presentation to the club in August to cover the project fully, but as a passionate educator Judy convinced the board that a donation to this building project increasing the capacity of a small primary school located in the slum area of Manilla, would use education to break the poverty cycle, and fit with the Rotary International focus area of supporting education.

Typhoon Halyan in the Philippines

The Club supported relief for this natural disaster with a \$500 donation to the District fundraising program organised amongst all Rotary Clubs.

National Youth Science Forum

Each year the Rotary Clubs in Darwin combine resources to identify, select and fund three or five Year 11 students to attend this forum in Universities in either Canberra, Melbourne or Perth.

SOME FUNDRAISING ACTIVITIES

- Karen Sheldon Local Darwin Christmas Pudding Sales - \$5,365
- April Fool's Quiz Night with YMCA - \$2,200
- Entertainment Book Sales - ?
- Gate Duty at the Tropical Gardens Spectacular - \$4,500
- Community Lottery Ticket Sales - \$3,000+internet sales to come.
- Nightcliff Football Club's Second Annual Duck Race - \$1,750

Jeff Borella
Director
Service Projects

2013 PARAMEDIC OF THE YEAR AWARDS

The Northern Territory 2013 Paramedic of the Year winner was Amanda McNeill. The Awards were presented by the Minister for Health, Robyn Lambley MLA, at Parliament House on Monday 26th August 2013.

The Paramedic of the Year Awards was initiated by the Rotary Club of Darwin Sunrise to acknowledge the chosen vocation of paramedics through the dedication and service they provide in communities through-out the Northern Territory.

This year the community recognised 27 outstanding paramedics. Nominations were received from those members of the public personally treated by paramedics, from those who have witnessed and been comforted by the work of a paramedic and also from colleagues who have nominated their peers.

Amanda McNeill was born in Port Pirie, South Australia; however she has always had a close affinity with the Northern Territory, having spent some of her schooling years in Darwin before moving away and then returning in 2000. Her association with St John NT has continued for 13 years, having started in administration where she spent five years and as a volunteer from 2003 to 2007 before making the transition to paramedic in 2006.

Amanda's time as a volunteer inspired her to become a paramedic as it gave her the opportunity to help people on a daily basis, a career she finds not only rewarding but challenging because of the varied learning opportunities and the variety of interesting people and situations she encounters every day.

Amanda is a well liked and integral member of the team in Darwin, and her peers describe her as an extremely dedicated team player who is a genuine all rounder. She is highly regarded by colleagues, management and those she deals with in the health industry in general. Amanda stood out this year for her ability to demonstrate care and compassion to both the patient and their loved ones, not only during treatment but her continuing compassion to check on the patient once handing over to other health professionals.

We gratefully acknowledge our supporters and sponsors for this year's awards: Northern Territory Government, United Voice, Palmerston Telstra Store, Rydges Darwin Airport Resort, Territory Surgical Supplies, Country Classics, and Colemans Printing.

Malika Okeil and Sandy Oldroyd

Service Projects

2013 ABORIGINAL AND TORRES STRAIT ISLANDER HEALTH PRACTITIONERS AWARDS

On Friday 22 November 2013, The Honourable Robyn Lambley MLA hosted the Aboriginal and Torres Strait Islander Health Practitioners Excellence Awards (formally Aboriginal Health Worker Awards) at Parliament House. This event is a major annual event for the Aboriginal and Torres Strait Health Practitioner profession in the Northern Territory. This year's 'Legend' award was presented to **Joyce Bohme**, Maningrida Health Centre.

Joyce works at the Maningrida Health Centre. Joyce has been a registered Aboriginal Health Worker for 25 years in the Maningrida Health Centre. Joyce is a role model for her community. She works as a sole practitioner and also works in larger teams as required. She shows empathy and expresses genuine concern for her people.

Minister for Health, Robyn Lambley MLA and Joe Daby presenting the 2013 Legend Winner to Joyce Bohme

Joyce is dependable and when resources are not equitable across the board she has often gets in there and does the work. Joyce has a warm smile and always welcoming her community members and visitors to her health centre and community. She always shares knowledge and experiences/difficulties and likes to interact with other health workers. Joyce states that her biggest achievement is becoming an Aboriginal Health Practitioner.

The Aboriginal and Torres Strait Islander Health Practitioners (ATSIHP) Excellence Awards were initiated by the Rotary Club of Darwin Sunrise in 2006 to acknowledge the dedication and service they provide within the health care system through-out the Northern Territory. These Awards are held in recognition of the work that this group of health professionals delivers to ensure that Aboriginal Territorians are able to access quality health care.

The Rotary Club of Darwin Sunrise was again the major sponsor and organiser of this event in 2013, supported and sponsored by the Department of Health, Department of Health and Ageing, and United Voice. This event was also fully supported by the Aboriginal Medical Services Alliance NT.

AWARD WINNERS and HIGHLY COMMENDED

Legend Winner

Joyce Bohme, Maningrida Health Centre

Award Recipients

Remote: Joyce Bohme, Maningrida Health Centre

Urban: Dorothy Butler, Wurli Wurlinjang Health Service, Katherine

Specialised: Rhonda Simon, Numbulwar Health Clinic

Highly Commended

Remote: Josephine Appo, Elliot Health Clinic

Urban: Dwayne Pearce, Intensive Care Unit, Alice Springs Hospital

Specialised: Alicia Ross, Don Dale Centre, Berrimah Prison

New Practitioner

Winner – Emslie Lankin, Hermannsburg Primary Health Care Centre.

The organising committee should be commended for the effort and time that they gave to ensure that this event was up to the usual professional standard. Special thank you to Peter Pangquee, Joe Daby, Esther-Rose Seaton, Dinesh Arya, Charlie King, Bilawara Lee, Warren Corowa, Tissa Ratnayeke, Chris Mackay who all contributed to make this even another success.

2013 - 2014 MEMBERSHIP REPORT

Lorraine Corowa

As I prepared this report I reflected on why we have the institution of “membership” at Darwin Rotary Sunrise.

Here’s a few of my thoughts on that....

- Together we are a stronger, more powerful force for good in our community
- We have more resources and capacity to do great things
- There’s a sense of belonging to something that’s bigger than ourselves
- We are connected to a worldwide organisation or likeminded people
- We are making a difference in our community and in worldwide projects we support
- There’s always someone to lift us up when we’re not going so well
- There’s always someone to have a laugh with!

We have maintained our membership numbers this year, which is excellent. It’s a busy world and many of us have really flat out lives and incredibly important jobs in addition to our Rotary service.

Well done to everyone for pitching in to sell raffle tickets, organise quiz nights for YMCA, put together kitchen cabinets for the Ludmilla School, collect and count money tins for polio, duty on the gates for the garden spectacular, organise Christmas cakes duty at the Parap markets and so the list goes on..... We have been a busy little club!

I love that we can all do something (big or small) to serve our community and there’s a great sense of achievement and fulfilment that comes from that.

I heard a great story this year of a Rotarian (not in our club) who was really sick and receiving treatment in another city. They were not going so well and returned to their home club for some fellowship. When they got there they discovered that there had been a large donation to one of the projects they were championing and that the donation meant many lives would be different. The Rotarian felt such a sense of purpose, got a real buzz from the donation and they credit that moment as the point at which their health started to lift! What a great story about the power of Rotary service and the difference that we can make to others and ourselves through service. Quite often I reflect on “service above self” as our Rotary motto and I agree with it, but I also think it’s a bit deeper than that in terms of impact.

This year we have tried a couple of new things to attract new members including Friday drinks at the Lost Ark and starting a Rotaract club at the University, among others. I'd like to heartily thank those involved in those initiatives for their efforts and to congratulate all those members who introduced new people to Rotary this year.

Potential members for the planned Rotaract club to be chartered at the Charles Darwin University.

OUR NEW ACTIVE MEMBERS FOR THE YEAR.

VALE JOE DAVIS

Joe was born in Beaufort Victoria, a small country town that hasn't changed much in the years since.

After completing secondary school Joe obtained employment with the then Bank of New South Wales (now Westpac) where he was sent to work in branches in various country towns in Victoria.

With Joe getting thoroughly sick of small country towns he successfully landed employment with ASIO in the real big smoke – Sydney. Joe was eventually posted to Darwin in 1966 where he was the Number 2 guy in ASIO and also had responsibilities for Alice Springs where the 'Space Base' was being built.

In 1978 Joe was seconded by the Dept of Defence to go to the 'Space Base' at Alice Springs. Joe eventually resigned from the Government to stay in Alice Springs where he became an Insurance Assessor and eventually bought the business. Seeking to expand, in 1989 Joe opened a branch office in Darwin and moved here.

Joe was a dedicated and enthusiastic Rotarian – giving 35 years of 'Service Above Self'. He commenced his Rotary journey at the Rotary Club of Alice Springs Stuart from 1979 to 1989 then to the Rotary Club of Port Darwin from 1989 to 2005 where he was honoured with the award of a Paul Harris Fellowship and served the Club with dignity and honour as President.

In 2005 under his leadership Port Darwin amalgamated with Darwin Sunrise. In July 2008 Darwin Sunrise awarded Joe Honorary Membership in recognition of his untiring, dedicated and outstanding service to Rotary and the community.

He and Marilyn joined the 'grey nomads' of Australia and had many years exploring our great country and travelling overseas until his passing on Thursday 6th February 2014.

In remembrance with affection and deep respect.

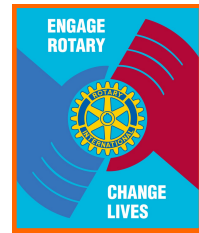

2013 - 2014 THE ROTARY FOUNDATION REPORT

'Do Good in the World'

The **Rotary Foundation** is the heart of Rotary International. It is that part of Rotary that feels cares and nurtures.

Our Committee:

Asha McLaren, Director, Denise Dickson Deputy Director, Diana Leeder, Shivaram Vemuri, Warren Leeder, Maurice Sgarbossa, Purdey Eades, Patrick Ball and Angela Nanson

Our aim: 'Every little bit counts'

The aim of our committee was to support the Rotary Foundation at Club level by reminding Rotarians of the extraordinary work done by the Foundation and inspiring them to make financial and non financial contributions to the Foundation.

Inspiration:

This year by reading aloud quotable quotes from Rotary World Leaders and the achievements of Rotary, we tried to remind members of their past generosity to the Foundation and at the same time inspire them to continue donating their time and money to *Service above Self*.

Polio Eradication:

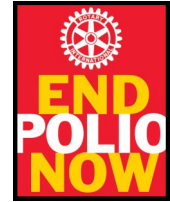

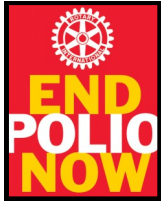

Ever since Rotarian Marilynne Marshall came up with the brilliant idea of using Tins to collect money for the eradication of polio our Club has been a major contributor in our District. Recently her service and contribution was recognised by The Rotary Foundation Trustees with the Regional Service Award for a Polio-Free World.

In coffee shops and other retail outlets around town you may have seen long yellow and blue cylinders appealing to your generosity. They are our Club's very own invention "The Polio Tins". These tins don't magically appear at your elbow in your favourite take away shop. They are placed there by service minded members of our Foundation Committee who not only put out Polio tins but collect them when they are full, count the money, bank it and then like elves put them back from where they got them and also find new places for them. I acknowledge that the Foundation Committee is ably assisted by other members of our Club in its efforts.

This continuing effort raised handsome sum of \$4,000 for the Rotary year 2013/2014.
Well done!

At present we have Denise Dickson and Maurice Sgarbossa from the Committee looking after the collection and distribution of the Polio Tins.

We are considering collecting and emptying the tins more frequently and are looking for assistance from interested members. We are also hoping to enlarge the catchment area.

This year the Club invested in a further 50 tins which are waiting to be put to work. So if you know of suitable places, do let the Committee know. If not keep an eye out for them!

Remember every coin collected takes the world closer to becoming Polio free. Won't it be such a proud moment for each of us to savour when that happens?

Centurion Project:

This project was introduced this Rotary year. The aim was to encourage Rotarians to show their support of the Rotary Foundation by committing themselves to contribute AUD \$100.00 annually for as long as they are able.

Two for one! When you become a Centurion you become a Rotary Foundation Sustaining Member as well.

Our current Centurions are:

Rotarian Judy Wright Rotarian Frank Stewart Rotarian Ian Berry
Rotarian Asha McLaren Rotarian Angela Nanson Rotarian Julie Nicholson
Rotarian Warren Leeder Rotarian Jeff Borella Rotarian Betti Knott

Five of them are individual donors while four of them were the result of collections made from all members. When the collection tin was full we collected the money which was sufficient to have four more Centurions. All members put their names into a hat from which President Ainslie drew out four names. Each Centurion received a Centurion pin and a certificate. Wear your centurion pin with pride and joy!

We set out in the hope that a donation of \$2.00 each week by each member would result in the whole Club becoming Centurions. For various reasons this did not happen. We hope to have better luck next year.

Foundation Director Asha with our newest batch of CENTURIONS
Jeff Borella, Joy Passmore,
Julie Nicholson and Betti Knott.

Annual District Giving: “Every Rotarian Every Year”

The Mission of the Annual Programs Fund mirrors that of The Rotary Foundation: to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. Contributions to the Annual Programs Fund through the Every Rotarian, Every Year (EREY) is the primary source of funding for Foundation programs in more than 160 countries on seven continents.

Our Club has for many years pledged to contribute \$100.00 every year through the District to The Rotary Foundation.

There are 42 members in our club currently. Accordingly, for the Rotary year 2013-2014 we will be donating \$4,200.00 including \$1,500.00 that was raised from the Weekly Foundation Draw. Congratulations Fellows!

Half this money comes back to us for use via the **District Designated Funds**. The other half is credited to the **World Fund**.

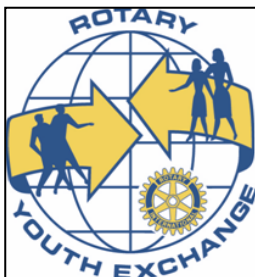

You may not have a direct say in how or where or on what your money is used but you can rest assured of its use **To Do Good somewhere in the World**.

GIVE THE WORLD HOPE!

ASHA MCLAREN

Director

ROTARY DISTRICT 9550 ROTARY FOUNDATION GRANT APPLICATION

Proposal for a Sensory Garden Project – Gunbalanya Early Learning Centre

Project Objective

To create a Garden in the Gunbalanya Early Learning Centre Playground to enhance the wellbeing and learning of the children. Also to provide a horticulture/agricultural facility for the Gunbalanya High School students and provide skills development for those community residents building equipment/items as part of the project.

History

Our club visited Gunbalanya Community in October 2012 and had a look at the High School, Early Education Centre, Arts Centre and Abattoir. We also had a tasty lunch kindly hosted by James Smith, an Associate Member of the club, who had moved to Gunbalanya with a new job.

Following a submission from the community, our club secured a \$4000 Rotary Foundation grant in late 2013 to assist the Early Learning Centre/Pre-School with the development of a garden as per the project objective.

The school identified a range of tools and items from Bunnings to assist with the establishment of, and facilities in, the garden. Following some delays due to flooding in the community along with school holidays etc, they finally took delivery of the first part of their order in May 2014. Work started immediately on designing and making items for the pre-school.

Many of the items will be made by community members with recycled material. As pictured a clever - joint threesome tricycle adaptation repaired ready for some fun.

Gordon Canning, Classroom Teacher reported:

We've only just begun (to make items for the garden), and some of these will be replicated and we will be designing more in the near future. We have made a woodwork table, designed a bike rack and designed a large storage/planter box. The kids are just about ready to start using their woodwork table and I will send pictures of us once we begin.

The tools were also used to finish our duck shed - the ducks are enjoying their new pond and our BBQ looks brilliant! I think the kids are hoping for BBQ duck before too long! I want to thank you again for this very generous donation.

Once the remainder of the tools and equipment has arrived, the community will provide the receipts and the grant will be acquitted.

We in the Club are looking forward to following the progress of this project, and to hopefully visiting the community again sometime in the near future.

2013 - 2014 TREASURER'S REPORT

Joseph Aladin

I had big shoes to fill when I took over the Treasurer's role from Ian Berry in July 2013.

My biggest challenge was to understand the club's individual transactions and record them consistently with the previous year. With the support provided by the Board, I was able to have an understanding of the finances and financial reporting requirements of the club.

I continued using Reckon Accounting software for recording the Club's financial transactions which facilitated my role.

We had a major shift in paying for the club transactions after we have organised electronic banking with the ANZ bank. Our use of the cheque book has been lesser as we were able to pay by Electronic Funds Transfer (EFT) since we have set up electronic banking. No chasing for cheque signatories was great.

I did not instigate any major changes with the classification of the transactions as I am new to the role but would like to implement some changes so that anyone reading our financial report will have a better understanding of our financial situation and condition.

I am lucky to be re-elected as Treasurer again for the second year running as I can implement some changes. An example would be showing the funding and expenditure in the same year (eg Gunbalanya, funds received in 2013, but expended in 2014).

INCOME

New major Fundraising for the year was for sale of Christmas puddings and cakes prepared locally in Darwin by Karen Sheldon Catering Pty Ltd and Sponsorship received from various Darwin health organisations for our Mental Illness Forum.

Car parking fundraising did not happen this year.

There was no grant received this year compared to last year when a grant for Gunbalanya was received.

Total income reduced by 9% compared to last year. Material movement in the major components of income are as follows:

- Fundraising income increased by 2%
- Membership dues increased by 18%
- Meeting income decreased by 7%
- PolioPlus fund raising decreased by 33%

EXPENSES

Total expenses increased by 5%, and were comprised mainly of:

- Increase by 348% of fund raising
- Decrease by 18% of Meeting
- Decrease by 22% of Rotary External
- Increase by 27% of Service project

Overall, there was a net surplus of \$1,961 for the year which is equivalent to 3% of total income. Last year's proportion of surplus to total income was at 16%.

It is worth noting that the Service Project expenditure for Medical Trainee Indigenous sponsorship is matched by the Australian Rotary Health 100% while the CEO Sleepout was paid through Givematcher and was matched 100% by another organisation.

Gunbalanya grant received last year was expended this year.

TOTAL LIABILITIES & EQUITY	<u>43,342</u>	<u>41,382</u>	<u>1,960</u>	<u>5%</u>

The club's major asset is in Cash and Cash at Bank which is equivalent to 83% of total assets. Cash and Cash at Bank increased by 3% this year from last year. Accounts receivable increased by 17% from last year and is comprised mainly of outstanding income for the 2014 Tropical Gardens Spectacular and outstanding amount from the Department of Health. Included in Accounts receivable are outstanding member dues which may not be recoverable and need to be considered for write off by the Board.

There are no outstanding liabilities as of report date.
The club's equity has increased by 5% due to net surplus in 2014.

The club is in a healthy financial condition and should be able to continue with helping the community in the next financial year.

Joseph Aladin
Treasurer

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD:

The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH:

The advancement of international understanding and goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary's Four-way Test

of the things we think, say or do

Is it the truth ?

Is it fair to all concerned ?

Will it build goodwill and better friendships ?

Will it be beneficial to all concerned ?

OUR SPONSORS

Thank you to our sponsors and supporters throughout the year,
and don't forget to
Support those who support us.
